

Attention Stylists and Salon Owners...

Increase Profits Fast with My Hairdo Pillow's ASK ME Button Partnership

According to DeShawn Bullard, if salon owners and stylists want to make money, they need to sell retail products. My Hairdo Pillow is an easy sale with a sizable profit margin that won't erode your bottom line beauty business like hair care products can. We are making this opportunity available with no cash out of your pocket or holding of inventory.

How the ASK ME Button Partnership Works

- Participating salon owners and stylists will receive promotional materials including ASK ME buttons to wear. A unique promotional code will be assigned to all program participants.
- At the stylists or salon owners' suggestion or when a client asks you what the ASK ME Partnership is about, you'll tell them about My Hairdo Pillow and give them information on how to order the pillows on-line and your promotional code.
- When an order is placed using your customer code, you will receive a \$10 money transfer through PayPal for each pillow sold.
